

## SUMMARY OF INTERVIEW

### Attendees, Date and Type of Interview

On July 11, 2007, Examiner Prema Mertz called Eric Ives to discuss the pending claims.

### Exhibits and/or Demonstrations

None

### Identification of Claims Discussed

Claims 4 and 9

### Identification of Prior Art Discussed

None

### Proposed Amendments

Examiner Mertz indicated to Eric Ives that claims 4 and 9 recited the amino acid sequences rather than the SEQ ID NOs in the claims and that the recitation of the amino acid sequences in the claims could result in errors during printing. The Examiner suggested amending the claims by Examiner's amendment to recite the specific SEQ ID NOs rather than the amino acid sequences. Agent agreed to said proposed amendment.

### Principal Arguments and Other Matters

None

### Results of Interview

It was agreed that Examiner Mertz would make an Examiner's amendment as described above.
